

# 2016.5 MAZDA CX-5

## STYLING & DESIGN

### ***KODO "SOUL OF MOTION" STYLING***

-  Starts up front with a bold front fascia, signature-wing front grille, sculpted hood and wraparound headlights.
-  Continues down the sides with a sharply raked windshield, athletic fenders, taut character lines and compact roofline.
-  Finishes in the back with contoured rear styling, fastback rear spoiler, eye-catching taillights and bright dual exhaust finishers.

### ***SPORTY ALUMINUM ALLOY WHEELS***

-  Start with 17-inch alloy wheels with five pairs of spokes that convey a powerful presence on Sport and Touring models.
-  Move up to 19-inch alloy wheels on Grand Touring models that deliver a premium appearance with a 5-element design theme shared by Mazda's latest concept cars.

### ***DRIVER-FOCUSED HIGH-TECH COCKPIT***

-  Centers on a sports-car-inspired steering wheel with grooves to comfortably position the driver's hands at 9 and 3 o'clock for spirited driving.
-  Places high-contrast gauges and displays where they are naturally visible to the driver and positions intuitive controls where they are easy to reach.
-  Shows a sporty 3-gauge package with large, easy-to-read speedometer and tachometer that signifies that this is a driver's car.
-  Provides the fingertip convenience of standard steering-wheel-mounted audio, cruise and phone controls, and available voice recognition controls.
-  Offers the performance look and feel of an available leather-wrapped steering wheel and gearshift knob.

## ***PREMIUM-LEVEL INTERIOR***

-  Incorporates a piano black or bright-finish dashboard decoration panel and silver-color accents for instruments and controls that give a sophisticated impression.
-  Adds soft-touch materials on frequently touched surfaces, such as the door trim and instrument panel.
-  Upgrades to the rich feel and sporty look of available black or parchment leather upholstery with perforated seat inserts .

## PRODUCT DISCLAIMERS

1. EPA-estimated mileage. Actual results will vary, depending on driving conditions.
2. Towing capacities shown are maximums and must be reduced by the weight of any passenger, cargo hitch, or optional equipment in the towing vehicle. The following equipment may also be required: load-carrying hitch for trailers under 2000 lb and load-equalizing hitch for trailers over 2000 lb. Towing a trailer will have an effect on vehicle's handling, braking, durability, performance and driving economy. For specific information on recommended or required equipment, see your Mazda Dealer. Hitches are available through manufacturers other than Mazda.
3. Actual results may vary based on driving conditions.
4. Apple and iPod are registered trademarks of Apple Inc.
5. The Bluetooth system functions only with select manufactured devices. Please consult [www.MazdaUSA.com/bluetooth](http://www.MazdaUSA.com/bluetooth) for device compatibility. Bluetooth is a registered trademark of Bluetooth SIG Inc.
6. The rearview camera does not provide a comprehensive view of the entire rear area of this vehicle. Always check your surroundings.
7. Always check your mirrors. Be aware of the traffic around you..
8. SiriusXM Satellite Radio-compatible audio system requires additional hardware and subscription. Subscriptions to SiriusXM services are sold by SiriusXM after a 4-month trial subscription to the SiriusXM All-Access package expires and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). SiriusXM satellite service available only to those at least 18 and older within the 48 contiguous United States, the District of Columbia, and Puerto Rico (with some limitations). Sirius, XM, and all related marks and logos are trademarks of Sirius XM Radio Inc.
9. TomTom and the TomTom logo are registered trademarks of TomTom International BV.
10. Dynamic Stability Control is an electronic system to help the driver maintain control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, and driver steering input can all affect whether DSC will be effective in preventing loss of control. Please see the owner's manual for further details.
11. Always wear your seat belt and secure children in the rear seats in appropriate child restraints.
12. Always wear your seat belt and ensure that the passenger air bag deactivation light is illuminated when using a child- or infant-restraint system. Please see your owner's manual for further details.
13. Do not rely completely on Blind Spot Monitoring and be sure to look over your shoulder before changing lanes. The BSM system can assist the driver in confirming the safety of the surrounding but is not a complete substitute. The driver is responsible for assuring lane changes and other maneuvers. Always pay attention to the direction in which the vehicle is traveling and the vehicle's surroundings.
14. Always check your mirrors. Be aware of the traffic around you.
15. Mazda Radar Cruise Control system is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your owner's manual for further details.
16. Forward Obstruction Warning system is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your owner's manual for further details.
17. Smart City Brake Support operates in certain low-speed situations between about 2 and 18 mph. Factors including speed, road conditions, and driver input can all impact stopping distance. Smart City Brake Support is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your owner's manual for further details.
18. Lane Departure Warning system is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your owner's manual for further details.
19. Please remember to properly secure all cargo.
20. Alcantara is nonwoven suede made of microfiber by Toray Industries Inc.
21. Do not drive while distracted. Even with voice commands, only use MAZDA CONNECT or other devices when safe. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.
22. Distance Recognition Support System is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your owner's manual for further details.
23. Smart Brake Support operates under certain conditions above 10 mph. It is not a substitute for safe and attentive driving. Factors including movement and shape of the object in front of the vehicle, weather and road conditions can all impact automatic brake control and collision warning.
24. Latch must also be disengaged or engaged. Based upon published times. Parking brake must be set.
25. One-year subscription included. Continuation is \$65 per year. Message and data rates may apply. App available on iPhone with iOS 4.3 or later and Android.
